ENGINEERING FIRM CLOSES

Possible loss of six jobs as town site shuts down

AN international engineering company has announced that it is in the process of closing its Axminster site, with the possible loss of six jobs.

Doncasters Group Ltd has sites in Europe, USA, Mexico and China — manufacturing precision components for a number of markets, including aerospace.

Its UK locations include Axminster and Chard.

The Axminster operation is formally known as Doncasters AMTech, located in Weycroft Avenue on the Millway Rise industrial estate.

But the company has decided to close down the Axminster site.

In a statement issued to *Pulman's View* on Thursday, August 4th, a company spokesperson said: "Doncasters Group Ltd can confirm that it intends to close its Electro-

Chemical Machining (ECM) facility in Axminster, with the potential loss of six jobs.

"The facility will be wound down over the next seven months with the site expected to close fully by the end of February 2012."

Don Poole, general manager at Doncasters AMTech, said: "It's with regret that we've taken the difficult decision to end Doncasters AMTech's ECM operations."

"The decision was taken following a thorough review of our markets and operations, which demonstrated that ECM is no longer a financially viable process for the site."

According to the company, one of the core activities at the

Axminster operation is sub-contract machining to the gas turbine, power generation, aerospace, medical and petrochemical markets.

Selective machining of investment cast superalloys and the finishing of oversize, forged components were also listed as core activities.

Mr Poole added: "We are consulting with those employees at risk of redundancy and, where possible, will look to find them alternative employment within Doncasters' businesses."

"Customers have also been informed and we'll continue working closely with them to complete existing orders and manage any transitional work that's required."

Doncasters as a whole employs a total of about 5,000 people in USA, Europe, China and Mexico.

Staff set for garden party

STAFF at Axminster hospital are preparing for a 1940s-style garden party to raise awareness about dementia.

The party will take place on Saturday, August 20th from 1.30pm to 4pm in the hospital's Conybeare Unit garden.

Visitors can step back in time and enjoy a vintage selection of music, with a singalong for those in a party mood.

Guests can indulge in locally made cream teas and cake and watch the raffle draw.

The garden party aims to raise awareness of dementia and information on dementia services and carer support in the Axminster and Seaton area will be available on the day.

Shiobhan Pickering, ward manager at Conybeare Unit, said: "We are all looking forward to a fun day at the garden party and hope that as many people as possible can come and join us."

Wheel's tea makes £630

AXMINSTER Inner Wheel hosted a charity cream tea event recently with all proceeds going to the Axminster St John Ambulance.

In total 60 people attended the cream tea, held in Tytherleigh, and £630 was raised.

Other activities taking place included a produce stall and a raffle.

Hayley Perham, St John Ambulance divisional superintendent, said she was grateful for the support of the Inner Wheel.

Two elderly men rescued

FIRE crews and police from Axminster were called to reports of a crash at Raymonds Hill on the outskirts of the town.

The incident took place at around 2.20pm on Monday, August 1st.

A van and a milk lorry were involved in the collision and the fire crew used small tools to force open the van door.

Two elderly men were released from the vehicle. The casualties were taken to hospital by ambulance.

Leap forward for new housing plans

By ANDERS LARSSON
anders@tindlenews.co.uk

PLANS for a 40-plus housing development in Axminster took a huge step forward when delegated authority to approve the application was given by a district council committee.

Several objections had been submitted to the planning authority, including concerns over increased traffic and over-development.

Betterment Homes wishes to build 41 houses on land at Dukes Way, and East Devon District Council's Development Management Committee referred the application to the Planning Inspections

Committee.

The latter met on Friday, July 29th and, after having visited the site, members met at council headquarters to discuss the matter.

Minutes from the meeting say: "Delegated authority was given to the head of economy in consultation with the chairman, vice-chairman and ward members to approve the application subject to conditions."

The approval is also subject to a new Section 106 agreement and receipt of amended plans concerning a boundary fence.

Minutes from the Planning Inspections Committee meeting explained the Section 106 agreement and boundary fence requirements as follows:

• A new Section 106 agreement which aside from the requirements of the current agreement also secures the establishment of a management company to maintain all open spaces within the site including the surface water lagoon, gully and associated landscaping including the boundary hedge, and a maintenance regime for these areas including costings and appropriate clauses to ensure that the management company has adequate funds to undertake the works required under the maintenance regime.

• Receipt of amended plans to show the boundary fence between the car park area at the rear of plots one to nine and the rear of 26 and 28 Dukes Way at 1.8m in height.

RBL event raises £320

THE Axminster branch of the Royal British Legion raised £320 for this year's Poppy Appeal during a coffee morning in the town.

The event was staged in a member's garden on Saturday, June 11th and

branch member Lesley Frankau said: "Our thanks to the Axminster and Uplyme Royal British Legions, Axminster Phoenix Ladies' Club, friends and neighbours who so generously supported the event — and to Neil Parish MP who was also present."

Court finds firm guilty

A SEATON company has been fined £15,000 and ordered to pay another £15,000 in prosecution costs.

Mike Burrigge Gas Services Ltd, of Beer Road, Seaton, pleaded guilty to breaching Regulation 26 (9) (b) of the Gas Safety Regulations 1998 and was fined £5,000.

In addition, the company was found guilty of breaching Regulation 26 (9) (a) and 26 (9) (d) of the same regulations and was fined a further £5,000 on each charge.

All three offences followed an annual service of gas appliances at a domestic property in Axminster.

The three breaches related to work on a fitting without immediately examining the supply of combustion air afterwards, failing to examine the effectiveness of the flue after servicing the boiler and failing to check the safe operation of the boiler after performing work on it.

The case was brought by The Health and Safety Executive and heard by magistrates in Exeter on Friday, August 5th.

The court also ordered the defendant to pay a separate £15 victim surcharge, the proceeds of which will be spent on services for victims and witnesses.

HSE Inspector Simon Jones, said: "It is important that registered gas fitters undertake work to the highest safety standard."

A spokesperson for the company stressed that it remains trading and is registered with the Gas Safe Register.

The spokesperson added: "The works the prosecution related to were inspected and checked by a Gas Safe Register inspector."

He found no reason to remove the company from the register."

Area's roads allocated over £260K for repair

By ANDERS LARSSON
anders@hindlenews.co.uk

SEATON'S slice of a road repair kitty comes to more than £260,000.

Devon County Council has announced a number of schemes to be funded by the £9.3 million Winter Damage Grant it received from the Department for Transport (DfT) earlier this year.

The money will be used to repair about 125 miles of roads in more than 50 communities across Devon.

Seaton area roads have been allocated "more than £260,000" and

precise details will be published by the end of September.

County Councillor Stuart Hughes said: "This additional funding has allowed us to take a thorough look at all of our roads, to target where it's most needed, and people right across Devon will benefit from this."

"It has been impossible to keep pace with the damage caused to Devon's highway network over the past three winters, so this grant is helping us carry out more repairs than we could have hoped to achieve, but it won't solve all of the problems on our roads."

"Our priority is to keep the A and B roads in good condition because they

carry the most traffic and are most important to the local economy, but we have also ensured that local knowledge from local members has been taken into account to draw together this extensive programme of work."

A council spokesperson added: "The county council's highways teams have carried out an extensive assessment of potholes and structural damage to its road network, taking in all of Devon's 29 market towns, a further 13 towns and parishes, and all of the county's winter pre-salting routes."

"Local county councillors have also

been consulted in compiling the schedule."

"The DfT grant is being used for permanent repairs rather than pothole filling, and schemes have been selected where structural patching or resurfacing will ensure that roads will be more resilient to potholes forming again."

"The work focuses on the busiest routes across Devon, and roads in towns where five or more potholes on a 100 metre stretch of road have been repaired in the previous 12 months."

"Work is already underway in some areas but the details of other schemes are still being finalised."

Councillor is in 'disrepute'

A DISTRICT council committee has ruled that a Colyton Parish Council member brought his office into disrepute when attending a function in Seaton last year.

As previously reported, the trustees of Reece Strawbridge Youth Centre alleged that parish councillor Bob Collier made untrue comments about the centre to Devon County Council leader John Hart during a function in Seaton Town Hall last year.

The allegation is that Mr Collier told county council leader Hart that the finances surrounding the Reece Strawbridge project were unsound and that the project was well over budget.

East Devon District Council (EDDC) started an investigation and a spokesman issued the following statement: "On July 29th 2011, the assessment and hearings sub-committee of EDDC's standards committee considered a complaint against Councillor Collier."

"It found that in making comments on October 26th, 2010, about the Reece Strawbridge Centre to Councillor John Hart of DCC, Councillor Robert [Bob] Collier of Colyton Parish Council brought his office into disrepute and therefore failed to follow Paragraph five of the Code of Conduct."

"The sub-committee decided to sanction Councillor Collier by censure; and to require Councillor Collier to write a letter to the Reece Strawbridge Trust apologising for his comments — which he has now done."

"The sub-committee also decided that further training on the code of conduct should be offered to Colyton Parish Council."

U-turn over ruling to ban dogs

A DOG ban U-turn was completed when councillors decided that dogs are welcome on Winter's Lane Playing Field in Ottery St Mary after all.

Following a dog mess problem, it was proposed to ban dogs full stop at the field.

But dog owners objected and a compromise was agreed by East Devon District Council (EDDC) in February 2010.

The compromise meant a dog control order would be put in place to cover the field, with the exception

of a 20-metre wide dog exercise area at the southwestern end.

The compromise has never been implemented and Ottery St Mary Town Council, which originally supported the dog control order, has had a rethink and no longer supports the order.

As a result, the town council approached EDDC and requested that there should be no dog control order.

Minutes from the town council's meeting on Monday, July 4th explain that members of the public attended

to object to the dog control order.

The minutes said: "A dog owner and resident spoke saying she had experienced no problems with dog fouling at the playing field. Her child uses the play ground area while she exercises her dogs. She requested that EDDC be asked to make no change to the current situation."

A neighbour of the playing field said he opposed the EDDC proposal to fence off an area.

"It is the only public playing field in the town and the cost would be great. It would be extremely difficult

to supervise dogs and children if both were brought."

EDDC's cabinet dealt with the matter on Wednesday, August 3rd and members resolved "that no dog control order excluding dogs from Winter's Lane Playing Field in Ottery St Mary be made".

EDDC stresses, however, that the legal requirement for dog owners to clear up after their pets remains, and the town council may be asked to help pay for enforcement or take over ownership of the field from EDDC.

Filling station to investigate fuel problem claims

By **BEN MIDDLETON**
ben@indlnews.co.uk

A PETROL station manager on the outskirts of Axminster has started an investigation after a customer reported a possible fault with one of the petrol pumps at the garage.

As reported in this newspaper last week, Mark and Amanda Bell, of Crossways, Dorchester, claimed that soon after filling up at the Texaco garage at Kilmington Cross the family's Mazda RX8 broke

down.

Gobu Rasalingham, managing director of Kilmington Cross Services, says that an investigation of the incident is currently taking place and that an engineer's report has given the garage a clean bill of health.

Speaking to *Pulman's View*, Mr Rasalingham said: "Our investigation of this incident is still continuing. The pump that was affected was selling super unleaded only.

"We closed the pumps supplying the fuel on hearing of the problem,

and these stayed closed until we obtained an engineer's report.

"Although the engineers report gives us a clean bill of health, there are other tests and investigations that we have to conduct to complete our procedures."

The incident was reported on Tuesday, July 19th, and Mr Rasalingham added that he has tried to talk to Mr Bell, however, he has refused to communicate.

He said: "This is the first incident we have experienced in four years. The petrol pump that was used was super unleaded only and no other

pumps were affected. Petrol tanks can sweat on the inside. This happens with car petrol tanks as well and is caused by condensation. But we have procedures in place to overcome this sort of thing.

"All of us here at the garage are doing our very best to try to resolve this incident.

"Specialist engineers will be arriving this week to have a look at the petrol pump.

"The garage is a private limited business, and we offer excellent service to our customers."

New venue as local writers' group relocates

AN east Devon writers' group is moving to a new venue.

Honiton and District Writers' Group, formerly known as Honiton Writers' Circle, is setting up base at Monkton Court Hotel, near Honiton on the A303.

The group is also encouraging

new members to join.

John Carter, of the group, said: "Writers' group members are people who like writing stories, non-fiction and poetry. Some have had work published and others aspire to but most just like meeting to talk about writing,

learn more about doing it and to read work that they and other people have written.

"We are a small friendly group so if you are just starting to write or have been writing for a while you will be equally welcome to join us — there is always

something new to learn.

"The group also runs a very successful competition for young writers in east Devon."

Meetings take place on the first Thursday of every month between 7.30pm and 9.30pm. For more details contact 01404 812651.

RECORD ENTRIES

By **BEN MIDDLETON**
ben@tindlenews.co.uk

THOUSANDS of people packed into the 121st annual Honiton and District Agricultural Show on Thursday, August 4th — despite the inclement weather.

Honiton Show is billed as the largest one-day agricultural show in England

and regularly attracts crowds of more than 18,000.

And although exact figures had not been released at the time of this newspaper going to press, show officials were confident that it would be another successful year for the event.

Wet weather leading up to the event didn't dampen the spirits of the thousands of visitors flowing through

the show gates.

Livestock, dog shows, horse shows and hundreds of trade stands were all on display and a range of attractions also took place in the main arena to keep the crowds entertained.

Marcelle Connor, show secretary, said: "This year's show was brilliant again. We had the rain overnight which was a little disappointing but that had cleared up by 11am and the

crowds started to fly in.

"It was a super atmosphere again and we are very pleased with how well we were supported."

Mrs Connor added that the show received a record number of sheep and cattle entries along with the most trade stands ever and the biggest food hall in the show's history.

Her highlights included events in the main ring and two tame otters.

Youngsters get warning

A TOTAL of 17 offences reportedly took place in Seaton during July.

Police in the town say that included in the 17 offences were four cases of theft, two cases of criminal damage and two drug offences.

A spokesman for Seaton police said: "Now that the summer holidays have started, the neighbourhood beat team would like to remind young people that anti-social and rowdy behaviour will not be tolerated.

"Whilst the large majority of young people in Seaton are well behaved, there will always be a small element who are rowdy and who do cause problems. They will be dealt with in a robust manner to ensure that the situation does not escalate and cause unnecessary problems for the local community.

"We would also ask parents to keep track of their children over the next few weeks, making sure they know who they are with and what they are up to.

"Whilst incidents of anti-social behaviour tend to increase during the summer months, it is important to stress that just because a number of young people are sitting in a group does not mean they are behaving in an anti-social manner.

"Groups of youths are often perceived to be causing trouble when most of the time they are not."

Thanks for the weeding

EDITOR — I would like to thank the good people who are weeding the gardens around the churchyard.

After Douglas Hull took such care planting the donated plants I was concerned the weeds would take over.

But like magic they are weed free. On behalf of the people of Axminster a very big thank you for keeping the town smart.

Lots of false economies being made around UK

EDITOR — Calamity, calamity — all these false economies that are being made nationally and locally.

St Clare's to close due to too few students it's claimed.

I know of students in the past who have missed out for whatever reason at school, who have achieved vital qualifications for the job market including O and A levels and being encouraged to take degrees at St Clare's.

Today there are still many who need these qualifications and who need new skills if they're to find a job.

Now there seems to be a greater

need for English literacy classes, especially for those whose first language is not English and some who can hardly speak English at all.

So, there are fewer students enrolling. Why? Because they can't afford the high charges — now higher than ever.

And what are the consequences for the teachers? I know of those who've lost contracts with St Clare's with three days' notice. They have families and homes to support too but maybe considered too old to get other jobs.

The result is that the unemployable stay unemployed and the skilled staff

join the jobless.

Played out nationally, ill-thought cuts lead to an ever growing increase in those claiming unemployment benefit, hardly boosting the economy.

Benefit cuts mean more people can't afford to rent let alone pay for mortgages, heat, food and so on.

They end up homeless, in worse health and needing more help from the NHS, which is itself looking to make cuts.

Are these the selfsame disadvantaged jobless expected to create the 'big society' offering voluntary work — some of which

should be paid for anyway — and buy computers they can't afford to increase their skills?

Then, they can join wealthier people who can make the most of cheaper offers on the internet.

So, can someone tell me how making cuts can boost the economy?

Play not first local theatre

EDITOR — I would just like to make a comment on an advert that appeared in *Pulman's View* from July 19th concerning Winefred, a local story of smuggling.

It claims to be the first community play in east Devon for over 30 years.

This is actually far from accurate. Both Ottery Community Theatre and Tale Valley Community Theatre have been producing excellent performances, which are truly community theatre, during most of this period.

Both companies have conceived, written, directed and performed many productions.

They feature entirely local people, many with no previous experience of acting or directing.

Only last month Tale Valley Community Theatre performed *Hollyhays* in Payhembury.

It had a large cast and performed to packed houses, and this was an excellent example of community theatre.

Ottery Community Theatre is in the process of rehearsing a community play for performance in September.

Clive Essame
Ottery St Mary

EDITOR — I note that in your publication *Pulman's View*, July 19th edition, you printed a letter from Pete Ashton who is the Devon Policy chairman of Federation of Small Businesses (FSB).

I'm afraid Mr Ashton has got things very wrong in his letter and I would like to try to put the record straight.

It may have been helpful had Mr Aston contacted me to talk to me prior to writing to local newspapers and had he done so I would have been very happy to explain to him what I

am about to explain in this letter.

The county council put the proposals for on-street parking pay and display on hold because we were listening to local communities and in particular the business interests in town centres where on-street orders were advertised.

Following that action I informed those local communities that we would reflect on the responses we had received and would revisit those towns with a view to establishing whether or not there was an appetite

Parking charges in consultation

for a comprehensive traffic plan to be developed. The process in train at this current time is that the county councillors for those towns are being engaged with a view to officers supporting them in terms of the most appropriate way forward in the future for those towns. Part of that discussion is how our county councillors wish to engage with

organisations like the town councils, the chambers of commerce and if appropriate, the FSB and this will happen as a result of those discussions with the local county councillors.

Mr Ashton concludes by postulating that "if there is a genuine acceptance by local businesses, shopping communities that the traffic

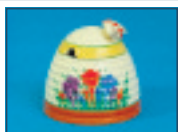

management system would improve the shopping and trading experience in their town" then that is precisely the position we are trying to establish.

So let's be clear. The position currently is that nothing has been decided. Discussions are taking place with local county councillors first, followed by discussions more broadly in those town with elected

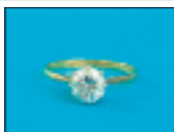

representatives and with stakeholders in the fullness of time.

This will not be rushed and it will be completed in conjunction with the local community and local stakeholders.

Pulman's View from the churches

With NIGEL SPELLER

FATHER Michael Koppel, from Axminster, said: "We live in turbulent times."

"Times which can shake our faith in established institutions. Which reminds me how the distinguished French philosopher Gabriel Marcel recalls in one of his essays that his faith once faltered.

"He tells us how, shortly before the Second World War, he sensed the approach of a disaster in which everything he loved would founder. At the time, to put one's faith in God seemed to him like a facile brand of optimism.

"Then he had some conversations with a friend who, like Marcel, was a Christian, and who was well aware of the dangers ahead. Marcel remembers how his friend's calm at first irritated him; how he was inclined to take his composure for complacency.

"Until at last the truth dawned on him: 'This is real faith because it brings peace'. Marcel was right. Faith is anything but a facile brand of optimism. To live by faith doesn't provide us with a guarantee against suffering or defeat.

"What it does provide us with is a way of facing these things. And overcoming them. Just as Jesus, with his complete trust in his father, overcame death and rose to new life. If we share that trust, one day someone may say that this is real faith because it brings peace."

Life stories of prisoner

GOOD-BYE Old Chap was the title of the talk given by Philip Algar to Axminster Probud Club recently.

Economist, journalist, author and public speaker Philip based his talk on the diaries of his father who served in the Merchant Navy during two world wars.

Born within view of the Liverpool docks it was an early ambition of Stanley Algar to go to sea.

Born in 1899 he was old enough to serve in WWI and was torpedoed though it did not put him off his calling.

After that war he became an apprentice and while in Texas saw a gleaming oil tanker.

The contrast with his old collier was dramatic and he immediately applied for a position with Shell spending the next three years in the Far East.

Ten years later, in 1932, he had advanced sufficiently to buy a house in London.

Here he met his future wife and Philip arrived in 1936.

WWII saw him plying the south Atlantic as master of a 3,000 tonne tanker.

In 1941 he was approached by a Dutch ship which then raised the German flag and rolled

away its disguise.

At 30,000 tonnes he knew he had no chance and surrendered to save his crew.

His ship was sunk and the crew taken to Marseilles to a prisoner of war camp near Hamburg.

His diaries record in graphic detail the privations suffered in transit although the treatment in the camp was not unduly harsh.

Stanley's diary contains reference to events beyond the camp which are difficult to explain — until a fellow prisoner revealed that they had been able to make crystal sets which allowed some knowledge outside that provided by Lord Haw-Haw.

The Red Cross supplied parcels which — for a non-smoker — provided valuable currency which the guards were only too ready to accept, and maybe turn a blind eye to some extra curricular activities.

On April 28th 1945 they were liberated by the Welsh Guards amid huge excitement.

Philip said that much of the reason for his surviving in good health was due to the Red Cross parcels.

It is for this reason that his books are on sale with profits going to the Red Cross.

BA steward 'tells all' to ladies' club

THE Axminster Phoenix Ladies' Club's monthly meeting was held on Wednesday, July 13th.

After the business side of the meeting members discussed future outings and then welcomed David Smith, an ex-British Airways employee.

David has spent 50 years in aviation and has enjoyed every moment, so much so, that he still has a shift in the executive lounge at Exeter Airport working for FlyBe.

He began his career as a steward for BEA travelling around Europe. Then in 1964 he was promoted to purser. Much of his time was spent on the Moscow route.

Only 15 stewards were allowed visas to the USSR, as it was then, and a KGB — the Russian committee for state security — agent accompanied them wherever they went. However, there were a few perks such as cheap caviar.

One of the most enjoyable trips with BEA was a world tour lasting 41 days.

A group of Germans chartered the plane which was duly turned into first class all round. This enabled David to have a wonderful time in five-star hotels.

He met many famous people and showed the group an autograph book and photos of him with celebrities including George Bush senior.

One extra charming person was Bette Davis who ate very little and drank only water.

David also flew on Comets with BOAC — who merged with BEA in March 1974 to form British Airways.

From the steward's point of view, in 1966 it took 34 days, including many stops, to travel to-and-from Auckland, New Zealand, nowadays it takes eight days.

A vote of thanks was given by Lesley but David was then bombarded with questions from the ladies.

The next meeting will be on September 14th when the speaker's subject will be St Kildas — an island at the edge of the world.

Phoenix Ladies' Club meets at 2.30pm each month at the United Reformed Church Hall, Axminster. New members are always welcome.

A WI garden party

AXMOUTH Women's Institute (WI) enjoyed a garden party in June.

Afternoon tea was provided by the members and the competition for a handmade fascinator proved a success.

In celebration of WI's Devon Federation's 90th birthday members made a visit to Yellingham Farm for a barbecue.

The group has two outings later in the year. A shopping trip to Southampton Quay and a concert given by the Royal Marine Band in Exmouth Pavilion.

The speaker was David Holt who talked about his years in education. On August 24th there will be a coffee morning in the village hall from 10am. Members will be selling books, nearly new clothes, bric-a-brac and cakes. The next meeting will be on September 20th.

Wildlife email commendation

A MIXED bag this week. First, let me once again commend the twice-monthly email newsletter edited by David Walters on behalf of the East Devon Local group of the Devon Wildlife Trust.

Packed with the latest wildlife news, largely based on the marshes and surrounding areas behind Seaton, the newsletter is invariably absorbing and well illustrated with numerous colour photos, many of them of remarkable quality. On the latest letter there is, for instance, a photograph of a hen sparrowhawk crouched over its pigeon kill, a fox carrying a gull's head in its mouth, a Sandwich tern fishing off the Cobb at Lyme Regis and a Mediterranean gull accompanied by a black-headed gull, illustrating so well the difference between the two species.

There is also an excellent photo, taken by Jean Kreisler, of a roebuck. In each newsletter Jean reports on wildlife activity from Holyford Woods and frequently remarks on the roe living in this area. The deer she pictured has a well balanced and nicely coloured head and though I cannot see whether it is a six-pointer, is probably about three to four years old.

Now, if you'd like to receive the newsletter by email call David Walters on 01297 552616 or 07791 541744 or email him on davidwalters@eclipse.co.uk.

Studland Bay is the only known breeding site in Britain for both spiny and short-snouted seahorses, both of which have been protected since 2008, and the area may also be a nursery for the endangered undulate ray. However, the bay is also extensively used by up to 300 boats a day and anchors dropped in the seagrass, the habitat of the seahorses, create bare scars, especially around the 50 moorings in the bay.

The seagrass provides perfect breeding ground for these two species of British seahorse and there is, unfortunately, a conflict of interest between boat users and those who wish to protect this fragile habitat and its rare inhabitants.

Dorset Wildlife Trust has now appointed two beach wardens to make boat users aware of the unusual wildlife below the surface and how they can avoid damaging the bay. Based at the National Trust-owned beach, the wardens will be encouraging boat owners to avoid anchoring in the seagrass and especially in the no-anchor zone. The two wardens, Tom Barnfield and Melinda Fisher, will be patrolling the area by kayak in their endeavours to persuade boat users to respect the bay.

This year Dorset Wildlife Trust celebrates its 50 years of existence and to mark the occasion a Golden Jubilee Gala Concert will be held at Lighthouse, Poole on Saturday, December 3rd at 7.30 pm. The renowned conductor Sir John Eliot Gardiner will have the Bournemouth Symphony Orchestra beneath his baton and will be joined by Sir David Attenborough.

The programme will include some specially selected English music, including Elgar's Enigma Variations and Vaughan Williams's exquisite The Lark Ascending, featuring the Russian violin soloist Alina Ibragimova.

Sir John Eliot Gardiner is a Dorset born and bred man and has been farming in the county, between concerts, since 1970, combining music with his love of nature, wildlife and good husbandry of soil, plants and animals. There could be no better man to conduct this celebratory concert and the fact, too, that Sir David Attenborough, Vice-President of The Royal Society of Wildlife Trusts, is supporting the occasion, is a tribute to the outstanding work of DWT.

It is confidently expected that the Jubilee Concert will be a sell-out occasion so you are strongly advised to apply now for tickets. Prices start at a mere £10 and are available from Dorset Wildlife Trust on 01305 264620, online from www.dorsetwildlifetrust.org.uk/bso-tickets.html or from Lighthouse box office on 0844 406 8666.

Summer in the Garden

Gardening on a Budget

TIPS ON how to tighten our belts in the garden, in the wake of the Budget - plus, find out what else needs doing in the garden this week.

The spring weather has lured enthusiastic punters to garden centres nationwide, ready to snap up a plethora of gorgeous plants, containers and other sundries to make their garden dazzle this year.

Yet research shows that in a tough economy, gardens are a low priority among householders. The current average spend on a UK garden is £482.16 a year with 42% of people spending nothing at all on their outdoor areas, according to research by woodcare manufacturer Ronsel.

But you can have a lovely garden without spending a fortune. When money's tight, there's a crop of prudent measures which can be taken which will save you a lot of cash.

Before visiting a garden centre, make a list first and only buy what is on that list. Work out what you really need, list the plants and other essentials and stick to that list. Walk up your garden beforehand and see where the spaces are, how the plants you want are going to work and where you will put them.

If you have a stack of containers to fill, consider using permanent plantings rather

than annuals which will need replacing each year. Check in your own garden to see what you may be able to use. Overgrown clumps of ornamental grasses and other perennial plants such as hostas can be lifted and divided and divisions of the plant can be used to fill pots and other containers.

Hostas in particular look great grown in pots, their lush green leaves making any shady corner of the patio look exotic.

Longer-term, scan the discount shelves for sale plants which have finished flowering but should be absolutely fine next season. You can often save quite a few pounds on perennials which will bloom year after year if you're prepared to wait a while for the results.

If you're buying shrubs, buy smaller plants which are cheaper, as the space in-between can be filled with hardy annuals grown from seed that you directly sow into the flower beds. They are easy to grow, great value for money plus they give lots of colour all summer. Try poppies, corn flowers, calendula, larkspur and candytuft.

Don't wait until late April or early May to buy trays of summer bedding when prices will be at their peak. If you want annuals, sow them from seed, which is a much cheaper option. Biennial

seeds such as foxgloves, hollyhocks and sweet williams can also be sown to give you colour next year.

Look for seed bargains on eBay and at discount stores such as Poundland, Lidl and Wilkinson. Cut costs further by going halves with fellow gardening friends, as you often won't need to sow the whole packet. Alternatively, swap your unwanted seeds and plants for some you do fancy from a number of websites including www.gardenswapshop.co.uk or free forums through organisations such as the National Gardening Association (www.garden.org/seedswap).

If you don't have time to sow seed, visit your local car boot sale to pick up plant bargains as well as cheap garden tools. Bargains can also be found in the free classified ads on Gumtree, while you may pick up something for free that someone else doesn't want if you join your local Freecycle group (www.freecycle.org/group/uk).

To increase your stock for the lowest price, take cuttings from plants such as fuschias, marguerites and pelargoniums.

And if you haven't yet started to make your own compost, there's no time like the present. There's a variety of website guides, but choose the more reliable ones such as www.gardenorganic.org.uk. Also contact your local authority to find out if it supplies subsidised bins in your area.

Best of the bunch - Snake's Head Fritillary (*Fritillaria meleagris*)

This dainty-looking bulb is a must for flower lovers, with its delicate purple-and-white nodding bells with intricate checkerboard patterns.

It thrives in partial shade in moist soil, so use a loam-based, water retentive compost and don't let it dry out in summer.

Snake's head fritillaries look good in groups in the centre of small containers, or combined with specie crocus in bowls oversown with grass to create a miniature naturalistic meadow in a bowl.

Cliff erosion student ideas

A TEAM of student engineers from the Stream Industrial Doctorate Centre — a collaboration across the universities of Exeter, Cranfield, Newcastle, Sheffield and Imperial College London — came up with a host of ideas in their bid to find a solution to cliff erosion around St Gabriel's Steps in Charmouth.

The students have recently spent a week at the site in Dorset and ideas included a ski lift and fibre glass steps.

All the ideas have been presented to National Trust West Dorset and Rob Rhodes, from the trust, said: "There were suggestions on how to improve the safety aspect of the steps by giving them a lower gradient, as well as plans to strengthen the steps by making them modular, so that they could come apart easily whenever a land slide occurs and then be reassembled quickly.

"Wacky solutions included, it was great to hear the students' thought processes. They had some ingenious ideas and really understood the brief, and it was fantastic to get a fresh set of eyes and minds to solve what is an ongoing problem."

Lego money

FIVE children from Axminster got together to raise money for a worthy cause during a recent half-term break.

Using Lego, they produced a city scape complete with a cricket pitch, a racetrack and a harbour plus some very colourful houses — raising £65 for Cancer Research UK in the process.

Church event to try and twin its new loo facilities

ST Andrew's Church in Feniton is holding a special coffee morning on Saturday, September 3rd from 10am to 12 noon.

The coffee morning will be to raise money towards the church's toilet twinning which will see the new facilities in Feniton twinned with an underdeveloped country where little or no facilities exist.

International charities Cord and Tearfund have linked up to bring toilet twinning, which is a unique way to help transform lives in poor communities across the world.

Forty per cent of the world's population — that's 2.6 billion people — don't have somewhere safe, clean and hygienic to go to the loo. Three children under the age of five die every minute because of poor sanitation and dirty water.

Feniton church can twin its toilet with one in Africa for every £60 it raises and it will then receive a framed certificate of the toilet's twin, containing a photo, the loo's location and its GPS coordinates so it can look it up on Google Maps.

Tearfund and Cord will use the money raised to help households have their own loo; enjoy better health; go to school and work; and fund other projects to alleviate poverty around the world.

● THE Mr Men bring their party road show to The Brewhouse, Taunton, on Saturday, September 3rd at 1pm and 3.30pm, the perfect treat to celebrate the end of the summer holidays and the return to school.

Favourite Mr Men and Little Miss characters will be live on stage in what promises to be the best birthday party in town. The interactive show will feature well known children's songs as well as party classics and plenty of audience participation.

The Mr Men roadshow comes to The Brewhouse from the same producers as the popular family show Roary The Racing Car that visited in April.

Tickets cost £13 for adults and £11 for children. Family tickets are available. To book call the box office on 01823 283244 or visit www.thebrewhouse.net.

Fossil is returned to Jurassic Coast

THE most famous fossilist's most famous fossil is the new arrival at Lyme Regis Museum.

The world's first discovery of a complete ichthyosaur was made by Mary Anning and her brother Joseph in 1811 in the 205 million year old Jurassic Blue Lias from cliffs nearby.

Now after 200 years the remaining gigantic skull has returned to the site of Mary's childhood home, on loan from The Natural History Museum in London.

Soon after it was found the Anning family sold the ichthyosaur to Henry Hoste Henley of Colway Manor in Lyme for £23. From there it was sent to London, probably by sea, where it was exhibited at William Bullock's Museum of Natural Curiosities.

In 1819 the specimen was purchased by the British Museum making its way to the Natural History Museum where it is usually displayed alongside a selection of other marine reptile fossils.

The skull's return to Lyme Regis for the first time in 200 years was delivered by Natural History Museum fossil staff Dr Martin Munt and Dr Tim Ewin.

Carrying the heavy, two-metre-long specimen the museum's spiral staircase to the geology gallery proved to be too difficult a manoeuvre, so space was made for it in the ground floor gallery where it will be on display until the end of September.

A grant from Natural England and financial support from the Natural History Museum has made the loan possible.

Dr Martin Munt said: "It has been a privilege to help Lyme Regis Museum achieve their dream of bringing home this iconic fossil specimen to mark the 200th anniversary of its discovery.

"We have been planning this for over a year and it has involved working closely with my colleagues throughout the museum including those in the museum's Paleontology Conservation Unit."

◆ ONE of the largest species of ichthyosaur, ichthyosaur temnodontosaurus platyodon — meaning cutting tooth lizard — is on display in Lyme Regis Museum

STEP INTO 1982

FILM

SUPER 8 (12A, 111 mins)

IN the summer of 1982, an earthbound alien phoned home and audiences wept with joy, cementing Steven Spielberg's reputation as the greatest filmmaker of his generation.

ET: The Extra-Terrestrial was a cultural phenomenon that spoke to our inner child, envisioning the cruel world through the eyes of Elliott as he risked everything to protect his otherworldly friend from scientists and shadowy government agents.

Almost 30 years later, director JJ Abrams pays homage to Spielberg's fantasy with Super 8, a rollicking adventure with echoes of The Goonies that depicts the rampage of an alien creature in rural 1970s America from the perspective of six children whose worlds have just been rocked by Star Wars and Star Trek: The Motion Picture.

In the sleepy industrial town of Lillian, Ohio, teenager Joe Lamb (Joel Courtney) is struggling to come to terms

with the death of his mother and the strain on his father, Deputy Sheriff Jackson Lamb (Kyle Chandler).

The youngster invests his time in making a low-budget zombie film with his friends.

Director Charles (Riley Griffiths) bosses everyone around while special effects expert Cary (Ryan Lee) provides the fake gore.

Dim-witted leading man Martin (Gabriel Basso) tries to remember his lines to the chagrin of long-suffering soundman Preston (Zach Mills).

To increase the film's chances of winning first prize in a nationwide competition, Charles persuades classmate Alice (Elle Fanning) to sign up as lead actress and the children head down to the local rail station to shoot a night-time sequence.

Just as the camera starts rolling, the youngsters witness a truck drive onto the tracks and derail an oncoming freight train.

As they make a hasty escape, the trespassing teens are oblivious to the monstrous creature crawling free from the twisted wreckage.

Super 8 is a delightful nostalgia trip, recalling a bygone era when young protagonists embarked on amazing journeys and emerged from the melee with barely a scratch or bruise.

You have to suspend your disbelief throughout Abrams's film but as pure unadulterated entertainment, there is much to enjoy from the amusing banter between the children to the first clear glimpse of the monster as a reflection in a puddle at a gas station while an unwitting attendant listens to Blondie's Heart Of Glass on his exciting new purchase — a Walkman.

The centrepiece train crash is brilliantly realised and even if the creature design is an anticlimax, the digitally rendered behemoth is seamlessly integrated with the live action.

Courtney is a spirited hero of the hour and he milks genuine tears as Joe wrestles with the loss of the woman who brought him into the world.

Fanning is equally impressive and there is a lovely rapport between the two young actors and with co-stars Griffiths, Lee, Basso and Mills.

AXE VALE PONY CLUB

By **KELLY BAKER**

pulmans@findlenews.co.uk

EXCITEMENT was rife when 38 members of Axe Vale Pony Club turned up for the annual summer camp at Hitts Barton, Whimple, on Saturday, July 23rd.

Children aged between five and 18, their steeds in tow, were on the starting blocks for a week of fun, games, competition and some learning too.

Three older members Yasmin Carter, Imogen Carter and Megan Broom arrived on Saturday evening after spending the day at the Pony Club Area Horse Trials at Bicton arena.

All three girls performed exceptionally well, with clear rounds over the cross country and show jumping phases. Imogen Carter finished third individually.

The mornings of camp week were set aside for professional tuition and the afternoons filled with team relays, mounted games, musical rides and even a ride to the village shop to enjoy an ice cream outside the church.

The younger children learned about stable management and earned some achievement badges which they can proudly display on their pony club jumpers.

Some of the older members also had a chance to brush up on their stable management in preparation for Pony Club B and C tests to be taken later in

the year.

Wednesday was show day and, arguably, one of the most enjoyable. The sun was shining as it did for the entire week, and members got up extra early to wash, plait and pamper their ponies in preparation for the day ahead.

The best turned out senior members was won by Imogen Carter on Corrievew Megan and the junior trophy went to Clare Daubney on Sophie.

On the last afternoon of camp, members took part in all kinds of fun activities to include block jumping, chase-me-Charlie and a very exciting team relay. The parents were invited in on Friday evening for a barbecue and the presentation ceremony. Older members performed a musical ride in fancy dress, which parents and younger members thoroughly enjoyed.

Awards were presented to the following members: Pony Club spirit — Imogen Carter; Best kept pony — Hannah Hosking; Most improved senior — Olivia Ford; Most improved junior — Erin Blank; Effort — Megan Broom; The pony the instructors would most like to take home — Willow, owned by Sara Wright.

Children and ponies alike enjoyed a fantastic week with fabulous weather and are no doubt already looking forward to Axe Vale Pony Club summer camp 2012.

AXE VALLEY RUNNERS

Heat hits girls during hard half marathon

ON a lovely summer's evening 168 runners lined up for the Haselbury Trail 10K race from North Perrott Cricket Club.

The two-lap race was won in magnificent style by visitor Steven Bayton from the University of Sheffield whose 36:03 beat the course record by more than two minutes.

First Axe Valley Runner (AVR) over the line, and fourth overall, was Garry Perratt in 39:49, Martin Lascelles was 10th overall in 41:46, his wife Lin 22nd and first lady in 43:50, and Hannah Bridger 25th and second lady in 44:26. Chris Keeffe was 31st, 45:39; Tim Sibley 40th, 47:22; Paul Johns 49th, 48:33; Richard Dodge 68th, 51:27 and James Sibley 99th in 57:18. Harry Moore was fourth in the single-lap 6K race taking 57:29 and he won the oldest competitor prize for the fifth year in a row.

Shave Cross is in a beautiful valley not far from Pilsdon Pen, the highest point in Dorset. Every August the village holds a fete and includes a five-mile multi-terrain run, the Shave Cross mini-marathon, as part of the celebrations.

John Blackledge was delighted to finish second in 29:51, he would have won the race had not Rogan Ashton from Otley in Yorkshire, decided to take his holiday in the area, winning in 29:09. Next AVR home was Mark Hilder, 18th in 35:50, closely followed by Steve Reynolds 25th, 36:50. Harry Moore was pleased to finish in 1:14 and for the second time in a week won the oldest competitor prize for the fifth time running.

◆ AVR members at the Totnes 10k and fun run

Lesley Westgate had a great run, finishing second lady and retaining the veteran cup for the second year running.

Last Sunday 11 AVR's travelled to the South Hams for the Totnes multi terrain 10K. First up was the fun run and Ethan Day was first AVR junior, 14th in 6:12. Next were new club pup sisters, Poppy Tooze, 29th in 7:16 and sister Catlin 31st, 7:19. The sisters were the only AVR's to win prizes, first and second under 10 Girls.

AVR to take part, Gavin Warren, 264th in 57:53. Sam Tooze was 323rd 1:01:21 followed closely by Claire Moles 346th, 1:02:48. This was Emma Chaplyn's second 10k run for the club, she was 387th in 1:05:48. Not even knowing if she would make the start due to upset tummy just minutes before the start, Gill Day managed to get to the start with 10 seconds to spare, finishing 416th in 1:08:08. Diane Newton was on form, finishing 446th in 1:12:22 followed by Jackie Rooke 457th, 1:12:22.

Amy Greenhalgh and Bees Creese travelled to Sturminster Newton for

the Half Marathon on Sunday. Although the course was undulating and the water stations plenty, the heat was high and there was a strong head wind for the second half of the race.

Amy battled hard and finished 113th in 1:37:44 but Bees struggled a bit and came 237th in 1:52:59.

The Three Axe social event hosted by the Axe Vale Canoe Club took place last Saturday. Afterwards members were joined by families for a barbecue. Many thanks to organiser Gill Hamlett and top instructor of the event, Tash Khan-Davis.

HONITON GOLF CLUB

Easy like Sunday for shrewd team

LAST week's Sunday morning game was one of those collaborative efforts that are a welcome break from the pressures of monthly medals, competitive opens and other 'must win' games.

The day was run as a 3BBB team event with sides that picked each other as preferences.

No surprise to see Ron Graham and the doughty Dave Morgan out together but this time they were augmented by Richard Beard.

A shrewd choice indeed because together they won the day with 47 points.

One missed putt behind were Ian Atyeo, Darren England and Jeremy Stamp and the team of Stewart Slater, Dean Bonetta and Derek Richards who were divided by countback with 46pts each.

The sun shone, the greens were putting well and the competition was teams of four for the Tuesday Stableford — with the two best scores to count.

Team games are always fun everyone supporting each other to chip close or sink the putt for that vital extra point.

The scores were quite close but the winning team with 86 points on count back were Hilda Hoepelman, Christine Bradshaw, Mike Watts and Roger Pincombe.

Second place, losing out on count back, were the team of Sue and Paul's — lady captain Sue Ritchie, Sue Witton, Paul Ritchie and Paul Witton.

The Foundation Brooch, awarded to the player with the lowest nett score in the Ladies' section, was won by Sharon Dacre with a nett score of 72, though Mona Carter gave her a run for her money equalling Sharon's score,

but missed out on countback.

Some great scores were also achieved in the August Medal on Wednesday with Mona Carter winning Silver Division with a nett 72, just ahead of Jane Watts with a nett 73.

In Bronze One Sharon Dacre came out on top with a nett 72, just beating Brenda Hyde on nett 73, and in Bronze Two victory went to Lesley Oxenham with a nett 76, closely followed by Majson Stroud on nett 77 and in third place Jennifer Pyle on nett 79.

It was a nail-biting time for seniors' captain Bill Nicholls in this month's medal competition.

First in the clubhouse with a nett score of 68 he held the lead until the last player in when John Kerr snatched the first prize and the medal tankard on countback.

It was a good day for the seniors'

committee as vice captain John Discombe was placed third in Division One on count back from Mike Kent and Bob Cleal.

In Division Two secretary David Ive managed first place with a nett 70, Colin Hughes 71, Howard Clayton 73, Dick Rowe 74 and Derek Herrington 75 were the other prize winners.

This week also saw the return match with Churston Golf Club in the Emerton-Court knockout.

Down 4-1 from the away leg it was an uphill task and despite winning by three matches to two Honiton's excellent run in this competition came to an end.

One social match was played against Dainton Park when the visitors reversed their home defeat by beating Honiton by four matches to two.

AXE CLIFF GOLF CLUB

Seniors go unrewarded in travel for inter-club match

THE long journey to High Bickington proved unrewarding to the seniors for the inter-club match with Libbaton.

Despite the defeat a chance of revenge will soon be possible as the final match of the season is with Libbaton at Axe Cliff in early October. The half point for the section was won by Rod Powell and Bob Graham.

The new Founders Trophy was

played last Friday. The format was a Bowmaker. The first half is medal play and the inward half stableford which is then deducted from the outward half for the final total.

Thirty-three members took part and there were many excellent scores, but none better than the winner Rod Powell (25) with a total of 11. Second was Bob Play (234) with 14, while four players had 16. Third place on countback went to Tony

Strong (9), with Frank Essex, Peter Knighting and Charles Whitbourn the players to miss out on the prizes.

On Wednesday the ladies played a stableford competition which also incorporated the MacMillan Spoon and the Rabbit Trophy. The winner of the August stableford was Liz Wheeldon (25) with 38 points and in second place on countback from Glenda Board (18) was Chris Drew (29). Liz also won the McMillan

Spoon and Chris the Rabbit Trophy for the second year running.

Last Sunday the main club competed for the late Geoff Davis Trophy in memory of Geoff a former member of Axe Cliff. The winner was his son Michael Davis (29) with 40 points. In second place Steve Anning (12) with 39 points and in third place Nigel Harding (18) with 38 points. Both Steve and Nigel will have their handicaps cut by one.

LYME REGIS GOLF CLUB

VERY much a social event with a serious fundraising intent, brothers Russell and Lee Caddy staged their annual golf classic event on Friday, July 29th at Lyme Regis Golf Club.

In near perfect weather, and with the course continuing to play firm on the fairways and true but quick on the greens, the event was a resounding success both in terms of scores carded and funds raised.

The overall winner with 43 Stableford points was Dave Henson closely followed by Mike Cotton from Seaton with 42 and Shane Stone with 41.

Following the golf the majority of participants enjoyed a meal in the clubhouse presided over by Master of Ceremonies David Astill who, through a variety of "fines" helped to boost the funds raised.

A total of £450 was raised and divided between Uplyme and Lyme Regis Cricket Club and Lyme Regis Football Club of which the sons of Russell, Ashley and Adam, are respective captains.

The Junior Order of Merit event, held on Saturday, July 30th resulted in some excellent scores.

In first place with a nett 70 was Daniel Collier, second was David Lyon on countback.

Also with a nett 70 was David Lyon followed by George Yorke with a nett 72.

TOWN CRICKET
CLUB

1st XI v Tavistock (Cloakham)

GARY Larcombe continued his good form with an innings of 64 and good support from David Murnane (41) and Paul Miller (45) saw the score to 168 before his dismissal.

Tristan Wakeley (29) and Steve Reed (16) took the total to a defendable 240 at the end of the home sides 46 overs.

Tavistock had other ideas, of course, and were well placed following an opening stand of 159.

Both openers had lives in the early stages and gave chances later but Gary Larcombe finally broke the partnership in the 35th over, dismissing Churchill (72) with a catch from his own bowling.

At this stage the visitors needed 81 to win with 11 overs to go and when Alex Wraight dismissed Grey (80) two overs later it seemed that Axminster could at least avoid losing.

However, Davies hit a rapid 32 from 13 balls, 25 coming from an Alex Wraight over and that settled any doubts about the result.

This was yet another disappointing effort for a talented Axminster side who let another good result slip away.

Their next fixture is at home next Saturday to mid-table Barnstaple and they will need to pick up some points to ensure they remain in the B Division.

2nd XI v Clyst Hydon (away)

The second team travelled to Clyst Hydon where they continued their good form.

Asked to bat Clyst were bowled out for 158 with Matthew Pile (4-22) and Tom Maxwell (3-48) doing the damage.

After the early dismissal of Colin Leadbetter a stand of 88 between Peter Kiy (26) and Michael Wakley ((70) put Axminster in charge.

Matthew Pile added 50 with Michael to level the scores at which time Axminster lost two wickets but were able to secure their second victory in succession to take them away from the bottom position in the league.

3rd XI v Countess Wear (away)

Success also continued for the third team as they had the better of the game with Countess Wear.

Sent into take first knock James Farley (31) and the hard-hitting Adam Whitehouse were out with the score on 58 before Dan Bicknell (89) cut loose and with John Swain (31) added 91 for the fourth wicket.

At this stage the total was 158 with only 15 overs used.

Sam Dibling held the rest of the innings together, sharing 50 partnerships with Chris Brown and James Fragel and was left on 68 not out as he finally ran out of partners.

Axminster left six overs for the opposition to use but Adam Whitehouse (5-30) came to the fore with the ball to take his second five wicket haul of the season.

David Gadsden (2-44) was the best of the rest but Countess Wear were able to settle for the draw on 226-9 at the end.

SIDE BOOSTS ITS TITLE
AMBITIONS WITH WIN

By KEVIN FAHEY

sport.pulmans@tindlenews.co.uk

HONITON re-inforced their title ambitions with a morale-boosting victory over E Division leaders Filleigh with seam bowler Phil Tansley the hero of the hour with a fantastic eight-wicket haul.

In a remarkably low-scoring game – just 99 runs were scored – Honiton nervously edged to victory by just one wicket as they chased Filleigh's 48.

The 16 points they picked up for victory closed the gap on the leaders to just 12 points with four games remaining with Honiton facing struggling sides Woodbury and

Babbacombe away and home advantage against local rivals Upton and Kilminster.

Honiton skipper Kevin Kelly said: "We have a decent run-in and if we get something out of our last four games then we have a chance of winning the title but promotion is still the target."

"But Kentisbeare have caught us up now so they cannot be discounted either."

New Zealand born Tansley did the damage as Filleigh were skittled out for just 48 runs with his amazing spell of 8-6 off just ten overs.

Kelly added: "It was a season's best for Phil but he told me it was not a career best and he has bowled better than that."

"But it was a magic spell of bowling."

Despite defending such a low score Filleigh's bowlers rose to the challenge and it needed a dogged knock of 12 by George Meadows to steer Honiton home at 51-9.

Also in E Division Kilminster consolidated their mid-table position with an emphatic win by six wickets over Kenn.

Batting first Kenn were bowled out for 140 with both Ben Noble and skipper Maurice Beviss taking four wickets each and Hal Cook claiming the other two.

In reply Kilminster opener Dave Cook top scored with 40 while Tom Gooding remained unbeaten on 34 as they reached 142-4 to claim 20 points.

"It was a good win," said Beviss.

It was honours even in the top-of-the-table clash in D Division as

second-placed Ottery St Mary and Feniton, currently third, shared a draw while leaders Ipplepen continued their remorseless progress to the title.

Batting first Feniton scored 228-9 thanks to good knocks from Martin Swannell (57), Adie Pullen (42) and Alex Frankpitt (31).

For Ottery there were two wickets apiece for Rob Johns, Mark Woodman and Sam Loud.

Ottery started well in reply and good knocks from Sam Tennent (69) and skipper Jody Clements (32) but fine bowling from Australian Norman Bedford (3-38) and skipper Mark Kingdon (3-61) put Ottery on the back foot and by the finish they had reached 194-7.

Mark Kingdon said: "I think Ottery shut up shop towards the end and

with seven wickets down they seemed to settle for the draw.

"We are still 30 points behind them so we need to win at least two or three of our last four games and hope they slip up for us to get promotion."

In B Division Axminster gave a good account of themselves against Tavistock scoring 240-5 with in-form Gary Larcombe leading the way on 60 and good knocks from skipper Paul Miller (45), Dave Murnane (41) and Tristan Wakeley (29 not out).

But on a good pitch Tavistock's batsmen also prospered and they reached their winning target for the loss of just three wickets.

In F Division Yacombe and Stockland were handed a walkover and 20 points after Hemyock failed to raise a team for their match.

WISCOMBE PARK

Drivers descend for championship

By **ANDERS LARSSON**
anders@tindlenews.co.uk

EAST Devon venue Wiscombe Park hosted the prestigious Nicholson McLaren British Hill Climb Championships.

With the fastest car and driver combinations travelling from Scotland, Wales and the Channel Islands it was an ideal opportunity for the local drivers to showcase their abilities and they performed well.

Piloting his fleet and nimble Nissan

Pulsar GTiR Ian Yeo opened his challenge in the Modified Limited Production Car class with a competitive time of 44.40 seconds for the testing nine hundred metre course.

The Willard driver found another four hundredths of a second on his second run to finish ahead of Andy Stoddard in his Vauxhall Nova.

The experience gained following many years competing at Wiscombe Park was not enough for Dawlish driver Adrian Langley to defeat the attack of another Mini man, Vince

Stone, in Woolbridge Motor Club's invitation class where the results were determined on a handicap system.

In the Road Going Specialist Production Car category Paul Sullivan returned home to Exeter with the premier trophy having taken his two litre Westfield SEi to class honours with a best climb of 468.30 seconds.

Tavistock resident Doug Bennett took the spoils in the over 2000cc division of the Sports Libre classes on his last climb of the day in his

fearsome Vauxhall powered Sylva Striker.

Bennett's final effort of 38.92 seconds moved him ahead of Mike Manning in his four wheel drive Ford Puma.

Olivia Cooper from Exeter secured the award for the Fastest Lady Competitor in her OMS single-seater racing car.

A determined late charge took Olivia the third fastest time in the 600cc to 1100cc racing car category with a 39.13 second ascent which was an identical time to the Empire 001 of Dave Gardner from Awliscombe.

Gardner took third place in the class by virtue of setting a faster first run time than Cooper.

Whilst the saloon and sports car drivers were immersed in their battles the quest for honours in the single-seater racing car classes raged unabated.

The three main protagonists, Scott Moran — double national champion — his father Roger and Trevor Willis

arrived at Wiscombe Park at the top of the championship standings following a hard fought battle a fortnight previous in the Channel Islands.

Settled weather and good track conditions had enabled some of the drivers to challenge established records and there was a hope that in the heat of the championship battle a new outright record could be set eclipsing the 2004 standard of 34.16 seconds.

The drivers at the head of the championship table all qualified so it was battle on between the Scott Moran and Willis the latter a double winner at last year's Wiscombe championship run-offs in his 3.2 litre Powertech OMS 25.

Moran took his 3.5 litre GR61X version of the Gould chassis to the top of the hill with a rapid yet measured climb to record 34.78 seconds.

Willis was unable to repeat the 2010 result and was forced to settle for second place with a time of 35.26. With the first of the Top Twelve Run-

Offs complete there was much conjecture whether the course record might come under threat in the second shoot-outs.

An increase in cloud cover and the resultant drop in temperature brought about a marginal reduction in the performance of the soft compound slick tyres certainly had an impact on the second run-offs but then intense competition still brought about a reduction in times but not a new hill record.

At the second time of asking Willis broke under 35 with a storming climb of 34.92 seconds.

With his past form on the east Devon track was this going to be a winning situation?

Scott Moran had the answer, and it was 'no'.

The Ludlow driver took his Gould by the scruff of the neck and hurled it up the 900 metre course in 34.59 to take a championship double and enhance his position at the head of the championship table.

Side's setback for promotion

By **KEVIN FAHEY**
 sport.pulmans@findlenews.co.uk

E Division

**Uplyme & Lyme Regis (15pts) 64-4 beat
 Upottery (2pts) 63-3 by six wickets**

UPOTTERY can still have a big say in the promotion race despite this setback in a severely rain-affected match.

With four games remaining it is still not impossible for either side to make one of the top two promotion spots in E Division, which is proving to be the closest title contest in the Devon League.

Upottery skipper David Woolacott said: "With four games to go there is still a long

way to go and we still have to play Honiton and Kentsisbeare.

"To be honest we never thought we would be in this situation anyway and we are not desperate to go up but it is still nice to be involved at this stage of the season.

"It should be a terrific finish to the season and could easily come down to the last game."

As far as Saturday's match went Woolacott ruefully reflected it was a bad day to lose as Upottery were put in on a threatening day and had only reached 63-3 when heavy rain curtailed their innings.

He added: "We had 18 overs left and would have expected to push on but the rain came and ruined the match really but that is

how it goes, you have to ride your luck."

Neil Price picked up two wickets for Uplyme with Steve Batey taking the other. In reply Uplyme had 24 overs to reach their target and while they started badly, losing their opening wicket for just four runs, they recovered with skipper Ashley Caddy, who scored 24 and Batey taking them to 45 before the second wicket fell.

Adam Caddy added 15 as Uplyme quickly reached their target off 13.3 overs before rain could cause any further disruption.

Uplyme vice-captain Batey said: "It was a bit of a downbeat game and obviously winning the toss was key but we bowled, fielded and batted well."
